

Unique Accommodation Request Form

Directions: If a student with a disability or an EL requires an accommodation (i.e., a “unique accommodation”) that is not listed in the *Maryland Assessment, Accessibility Features, and Accommodations Policy Manual*, and does not change the construct being measured by the test, the school may request the use of an accommodation not currently listed in this manual by using this form. If approved, the accommodation must be listed in the Individualized Education Program (IEP) or 504 plan for a student with a disability; and if required by your state, an EL plan, for an EL.

To request approval for a unique accommodation, both pages of this form must be submitted to your state by the School Test Coordinator (STC) or Local Accountability Coordinator (LAC), as required by your state, at least six weeks prior to testing to ensure a timely state response is received. A copy of this form must be kept in the student’s file and, if appropriate, retained at the Local Education Agency (LEA) office.
