Read each passage and question. Then, follow the directions to answer each question.

Be sure to scroll to see all parts of a question and answer exactly as asked.

One of the questions may ask you to write a response. Enter your response in the box provided on your screen. There will be enough space for you to complete your response. If your response is longer than the space provided, a scroll bar will appear. You will be able to use the scroll bar to review your entire response. Only responses entered in the box will be scored.

The arrow to move forward will already be blue. A pop-up message will appear if you click the arrow to move forward, but have not answered all parts of the question. You may bookmark a question to review later in the test, but you will not be able to move to the next question until you have fully answered the question.

If you finish early you may review your answers and any questions you have bookmarked in that Section.
