## Purpose

The purpose of this document is to provide the information needed when assigning additional users to Pearson Access.

## Overview of User Accounts for Pearson Access

User accounts are granted to educators and administrators who require access to Pearson Access. All user accounts are assigned to at least one organization (e.g., a school or district) and are associated with a username and email address.

## List of Roles

- **Administrator** – Perform all system-related tasks and access all organization data.
- **Test Coordinator** – Create, edit, and delete test sessions. View, create, edit, move, and delete students. View shipments page and shipping details. View and download reports.
- **Test Administrator** – Administer tests and view organizations.
- **Teacher** – *Only for classes the teacher is assigned:* view and download reports. View student details of students in their classes. View their classes. *For all students in their school:* view a list of students. View and administer tests.
- **Student Data Administrator** – View, create, edit, move, and delete students.
- **Reporting Administrator** – View and share reports.

Column	Field Name (CSV Header)	Required Y/N	Field Length	Field Definitions	Valid Values	Updateable
