How are assessment results used?

Results from the assessment give your child's teacher, school, and school district information about their academic performance, and provide you with some insight as to your child's level of learning. These results should be used with other assessment results and class work when gauging student performance.

English Language Arts/Literacy Performance Level Descriptions

Level 4 Distinguished Learners: *Distinguished learners demonstrate advanced proficiency* in their performance on this standards-aligned assessment. Students performing at the distinguished level may need support with exploring advanced learning opportunities related to understanding and analyzing above-grade-level literary and informational text, showing understanding of the text when referring to details in the text and when supporting inferences drawn from the text, and using context to determine the meaning of words and phrases.

Level 3 Proficient Learners: *Proficient learners demonstrate proficiency* in their performance on this standards-aligned assessment. Students performing at the proficient level may need additional practice with understanding and analyzing grade-level literary and informational text, showing understanding of the text when referring to details in the text and when supporting inferences drawn from the text, and using context to determine the meaning of words and phrases.

Level 2 Developing Learners: *Developing learners demonstrate partial proficiency* in their performance on this standards-aligned assessment. Students performing at the developing level may need additional reinforcement, practice, and support with understanding and analyzing grade-level literary and informational text, showing understanding of the text when referring to details in the text and when supporting inferences drawn from the text, and using context to determine the meaning of words and phrases.

Level 1 Beginning Learners: *Beginning learners do not yet demonstrate proficiency* in their performance on this standards-aligned assessment. Students performing at the beginning level may need additional modeling, reinforcement, and more explicit practice with understanding and analyzing grade-level literary and informational text, showing understanding of the text when referring to details in the text and when supporting inferences drawn from the text, and using context to determine the meaning of words and phrases.
