

4.12 Script for Administering All English Language Arts/Literacy (ELA/L) Sections

4.12.1 Grade 10 ELA/Literacy – All Sections

The administration script under Section 4.12.1 will be used **for all Sections** for the ELA/L assessment. Be sure you are reading the direction in the script with the correct number of questions for each specific Section.

Test Administrators are required to adhere to the scripts provided in this manual for administering the MCAP assessment. Read word-for-word the **bold** instructions in each SAY box to students. You may not modify or paraphrase the wording in the SAY boxes. Some of the SAY boxes are outlined with a dashed line and should **ONLY** be read aloud if they are applicable to your students. Some directions may differ slightly by Section and are noted within the administration script. Test Administrators should be familiar with the script before administering the assessment.

Sections 1–4	70 minutes per Section	<ul style="list-style-type: none"> • Student testing tickets and Seal Codes • Pencils • Scratch paper 		

It is critical to ensure that students have the appropriate accessibility features and accommodations prior to testing. Refer to Section 3.3 for further instructions on how to check accessibility features and accommodations.

Test Administrators must make sure all testing devices are turned on and TestNav is launched to the **Sign-In** page. Make sure all headphones are plugged in, and no programs are running, prior to launching TestNav.

	<p>Today, you will take the English Language Arts/Literacy Assessment.</p> <p>You may not have any electronic devices at your desk, other than your testing device. Making calls, texting, taking pictures, and browsing the Internet are not allowed. If you have any unapproved electronic devices with you right now, including cell phones, please turn them off and raise your hand. If you are found to have unapproved electronic devices during testing, your test might not be scored.</p>
--	---

If a student raises their hand, collect the electronic device (or follow your school/LEA policy) and store it until the Section is complete. Certain electronic devices may be allowed for accommodations purposes only during testing. Please contact your School Test Coordinator if you have questions regarding electronic devices. Students may not have any other programs running before launching TestNav. (YouTube®, music streaming, etc.)

Checking Audio

	<p>Make sure your headphones are plugged in and put them on. On your screen below the “Sign In” button is a link called “Test Audio.” Select the link to make sure you can hear through your headphones and adjust the volume to the highest level. You can adjust the volume in the test after you begin.</p>

See below for a screenshot of the **Test Audio** function. Test Administrators should assist students with audio adjustments as needed.

NEW IMPORTANT: Notify the STC that the Section Testing Time is finished, students have exited TestNav, and their assessments should be moved to the next Section.

When students sign in to TestNav, they should be on the Directions page and ready to enter the Seal Code for the next Section.

IMPORTANT Directions for the Test Administrator

Circulate throughout the room to make sure all students have successfully signed out of TestNav.

If administering another Section on the same day, collect tickets, but allow students to keep other materials and take a short break. If the break exceeds 15 minutes or is the only Section being tested today, collect tickets and all materials. Do not allow students to leave the room with testing tickets.

During the break, notify the STC that students have finished the Section. The STC must resume any students still showing an Active status in Pearson Access and then move all students to the next Section so they are on the next Direction page to enter the Seal Code.

The Test Administrator must return all materials to the STC at the conclusion of testing for the day and provide the names of any absentee students or report any testing irregularities.
