4.11.1 Grade 10 ELA/Literacy – All Sections

The administration script under Section 4.11.1 will be used **for all Sections** for the ELA/L Test.

On the first read through, Test Administrators are required to adhere to the scripts provided in this manual for administering the MCAP assessment. Read word-for-word the bold instructions in each SAY box to students. You may not modify or paraphrase the wording in the SAY boxes. Some of the SAY boxes are outlined with a dashed line and should ONLY be read aloud if they are applicable to your students. Test Administrators should be familiar with the script before administering the assessment.

Actively proctor while students are testing:

- Redirect students as necessary (Section 4.6.2).
- Collect test materials as students complete testing.
- If students have questions about an item, tell them, “Do the best you can.”
- If students indicate that a test item seems irregular, refer to Section 4.6.4.

Ensure students do not move to other Sections.

Instructions for Taking a Break During Testing

The following are permitted during test administration at the discretion of the Test Administrator:

- One stretch break of up to three minutes for the entire classroom during testing for each Section. The stopping time should be adjusted by no more than three minutes if there is a stretch break.
- Individual restroom breaks during testing (do not adjust stop time).

The following security measures must be followed:

- Students must be supervised at all times during breaks.
- Test books and answer documents must be closed or covered.
- Students are not permitted to talk to each other during testing or breaks during testing.
- Students are not permitted to use electronic devices, play games, or engage in activities that may compromise the validity of the test.

If taking a three-minute stand and stretch break during the Section:

Please stop testing, place your scratch paper in your answer document, place the answer document in the test book, and close your test book. We will take a silent three minute stretch break. No talking is allowed.

After taking a classroom break, ensure students open their test books and answer documents and continue testing where they left off.

Open your test books and answer documents and continue testing.

Instructions for When 10 Minutes of Section Time Remain

When 10 minutes of Section time remain,

You have 10 minutes remaining.

Continue to actively proctor while students are testing.

Instructions for Ending the Section

When the Section time is finished,

Stop working. Testing time has now ended. Close your test book and answer document. Check that your name is written on your test book and answer document. I will collect your test materials.

- Collect all test materials from those students who still have test books and materials.
- If testing another Section on the same day, take a break and then read the script to begin the next Section. At that time, materials and test books may be redistributed.
- After all testing has ended for the day, return all test materials to your School Test Coordinator. Report any missing materials and absent students.
- Report any testing irregularities to your School Test Coordinator.

Note: If you are administering more than one Section during the same day, allow students to take a short break (e.g., restroom break, stretch break) or extended break (e.g., lunch). Test books, answer documents, and test materials should be collected at the end of the Section and secured if the break exceeds 15 minutes. The Test Administrator must remain with the test books and answer documents at all times unless they are secured. Once students have returned and are seated, read the script to move on to the next Section.

The previous directions should be used for all Sections of the Grade 10 ELA/L Assessment.
