

4.12 Script for Administering All English Language Arts/Literacy (ELA/L) Sections

Note: The ELA test does not have two different scripts (Regular and Accommodated) as does mathematics.

4.12.1 Grade 10 ELA/Literacy – All Sections

The administration script under Section 4.12.1 will be used **for all Sections** for the ELA/L assessment.

Test Administrators are required to adhere to the scripts provided in this manual for administering the MCAP assessment. Read word-for-word the bold instructions in each SAY box to students. You may not modify or paraphrase the wording in the SAY boxes. Some of the SAY boxes are outlined with a dashed line and should **ONLY** be read aloud if they are applicable to your students. Some directions may differ slightly by Section and are noted within the administration script. Test Administrators should be familiar with the script before administering the assessment.
