Test Administrator Large Print Script
for Paper-Based Testing

English Language Arts/Literacy

The Test Administrator Large Print Script must be used with the
Test Administrator Manual for Paper-Based Testing.

Tasks for Test Administrators to Complete BEFORE the large print test administration.

Refer to Section 3.0 of the *Test Administrator Manual for Paper-Based Testing* for more information on tasks to complete before testing.

Note:

- Students will not record their answers in standard print test books. Rather, students will circle their answers in the Large Print Test Books. For constructed response items, students will write their answers on the lines provided in their Large Print Test Books.
- After the test is completed the Test Administrator will transcribe the students answers from the Large Print Test to the answer document.

Before students arrive for each section, do the following:

- Ensure that the testing room is prepared as described in Sections 2.3 and 3.5 of the *Test Administrator Manual for Paper-Based Testing*.
- Verify you have the schedule of times for the test sections to be tested.
- Make sure you have the correct large print test books for your group to be tested.
- As appropriate, draw a timing box on the board, similar to the example on page 13 in the *Test Administrator Manual for Paper-Based Testing*.
 - If one or more students are testing with extended time accommodations, you will need to adjust the amount of time each student will have to complete each section. Refer to each student's accommodations for information on extended time, and follow the guidelines outlined in **Appendix C** of the *Maryland Assessment, Accessibility, and Accommodations Policy Manual*.
- Make sure you have a list of the accommodations for the students testing; consult the plan established in **Appendix A** of the *Maryland Assessment, Accessibility, and Accommodations Policy Manual*.
 - If the students in your group require a Human Reader, follow the protocol outlined in **Appendix E** of the *Maryland Assessment, Accessibility, and Accommodations Policy Manual*.
 - If the students in your group require an extended time accommodation, follow the guidelines outlined in **Appendix C** of the *Maryland Assessment, Accessibility, and Accommodations Policy Manual*.
 - If the students in your group need a word-to-word dictionary as an accommodation, have these available to students or allow students to bring their own.

Post a copy of the STOP and GO ON signs in **Appendix C** of the *Test Administrator Manual for Paper-Based Testing* on the board to show students what the signs in the book look like.

Reminders for Test Administrators DURING the large print test administration.

Refer to Sections 4.0 and 5.0 of the *Test Administrator Manual for Paper-Based Testing* for more information on tasks to complete during and after testing.

When announcing the amount of time students will have to complete each section, be sure to adjust the amount of time available to all students who have approved, extended time accommodations.

During testing, you must focus your full attention on the students at all times to confirm that they are working independently. Ensure that all student desks are free of any prohibited materials, and that all prohibited aids in the classroom have been removed or covered. Refer to Sections 2.2 and 2.3 of the *Test Administrator Manual for Paper-Based Testing* for information on prohibited activities and prohibited materials.

If a student starts a test section and leaves school without finishing (e.g., due to illness, family emergency), they may be allowed to complete that test on a different day. If you have concerns about a student completing a section before the end of the school day, you should not allow the student to begin. If a student leaves during a section, contact the School Test Coordinator for additional information on students returning to complete a test.

If you have questions regarding policy, security breaches, or irregularities, consult your School Test Coordinator.

Read only the **bold** instructions within each **SAY** box to students. Text that is outside the **SAY** boxes includes directions for Test Administrators to follow and should not be read to students. Refer to Section 4.6 of the *Test Administrator Manual for Paper-Based Testing* for guidance on redirecting students and clarifying directions during an administration. Test Administrators are permitted to clarify **only** scripted administration instructions after reading the script word-for-word. No passages or test items may be clarified.
