Test Administrator Large Print Script
for Paper-Based Testing
Maryland Integrated Science Assessment (MISA)

The Test Administrator Large Print Script must be used with the
Test Administrator Manual for Paper-Based Testing.

Tasks for Test Administrators to Complete BEFORE the Large Print Test Administration

Refer to Section 3.0 of the *MISA Test Administrator Manual* for more information on tasks to complete before testing.

Note:

- Students will not record their answers in standard print test books. Rather, students will circle their answers in the Large Print Test Books. For constructed response items, students will write their answers on the lines provided in their Large Print Test Books.
- Answers must be transcribed following the guidelines for transcribing student responses in Section 5.2.2 of the Test Coordinator Manual.

Before students arrive for each section, do the following:

- Ensure that the testing room is prepared as described in Sections 2.3 and 3.6 of the *MISA Test Administrator Manual*.
- Verify you have the schedule of times for the test sections to be tested.
- Make sure you have the correct large print test books for your group to be tested.
 - If one or more students are testing with extended time accommodations, you will need to adjust the amount of time each student will have to complete each section. Refer to each student's accommodations for information on extended time, and follow the guidelines outlined in **Appendix C** of the *Maryland Assessment, Accessibility, and Accommodations Policy Manual*.
- Make sure you have a list of the accommodations for the students testing. Consult the *Maryland Assessment, Accessibility, and Accommodations Policy Manual* for the list of available accessibility features and accommodations for paper-based testing.
 - If the students in your group require a Human Reader, follow the protocol outlined in **Appendix E** of the *Maryland Assessment, Accessibility, and Accommodations Policy Manual*.
 - If the students in your group require an extended time accommodation, follow the guidelines outlined in **Appendix C** of the *Maryland Assessment, Accessibility, and Accommodations Policy Manual*.
 - If the students in your group need a word-to-word dictionary as an accommodation, have these available to students or allow students to bring their own.

Reminders for Test Administrators DURING the Large Print Test Administration

Refer to Sections 4.0 and 5.0 of the *MISA Test Administrator Manual* for more information on tasks to complete during and after testing.

When announcing the amount of time students will have to complete each section, be sure to adjust the amount of time available to all students who have approved, extended time accommodations.

During testing, you must focus your full attention on the students at all times to confirm that they are working independently. Ensure that all student desks are free of any prohibited materials, and that all prohibited aids in the classroom have been removed or covered. Refer to Sections 2.2 and 2.3 of the *MISA Test Administrator Manual* for information on prohibited activities and prohibited materials.

If a student starts a test section and leaves school without finishing (e.g., due to illness, family emergency), they may be allowed to complete that test on a different day. If you have concerns about a student completing a section before the end of the school day, you should not allow the student to begin. If a student leaves during a section, contact the School Test Coordinator for additional information on students returning to complete a test.

If you have questions regarding policy, security breaches, or irregularities, consult your School Test Coordinator.

Read only the **bold** instructions within each **SAY** box to students. Text that is outside the **SAY** boxes includes directions for Test Administrators to follow and should not be read to students. Refer to Section 4.7 of the *MISA Test Administrator Manual* for guidance on redirecting students and clarifying directions during an administration. Test Administrators are permitted to clarify **only** scripted administration instructions after reading the script word-for-word. No passages or test items may be clarified.

4.12.2 Paper-Based Script for MISA 5&8 - All Sections

The administration script under Section 4.12.2 will be used **for all Sections** of the Paper-Based MISA 5&8 Test.

Test Administrators are required to adhere to the scripts provided in this manual for administering the MCAP assessment. Read word-for-word the **bold** instructions in each SAY box to students. You may not modify or paraphrase the wording in the SAY boxes. Test Administrators should be familiar with the script before administering the assessment.

Instructions for Preparing to Test

	<p>Today, you will take the Maryland Integrated Science Assessment (MISA).</p> <p>You may not have any unapproved electronic devices at your desk. Making calls, texting, and taking pictures are not allowed. If you have any electronic devices, including cell phones, with you right now, please turn them off and raise your hand. If you are found to have unapproved electronic devices during testing, your test might not be scored.</p>
--	---

If a student raises their hand, collect the electronic device (or follow your school/LEA policy) and store it until the Section is complete. Certain electronic devices may be allowed for accommodations purposes only during testing. Contact your School Test Coordinator if you have questions regarding electronic devices.

	<p>Please sit quietly while I distribute the test materials.</p>

Distribute scratch paper, wooden No. 2 pencils, and approved accessibility/accommodations tools, if needed for certain students.

Then, distribute Large Print test books.

If there is a label on the front of your test book, make sure it has your name on it. Please print or check your name and date of birth on the front cover of your test book where it says “Student Name” and “Date of Birth.” Raise your hand if your name and date of birth on the cover do not describe you.

Pause while students check to make sure they have the correct Large Print test book and write their name and date of birth on the Large Print test book cover.

Each page of the test book has a direction shown in the bottom, right-hand corner. A “Go On” at the bottom of the page indicates that there are more questions to answer in this Section.

Hold up or point to an example of the “Go On.”

If you see a “Stop sign” in the bottom, right-hand corner of the page, you should not turn past this page until instructed to do so by the Test Administrator.

Hold up or point to an example of the “Stop” sign.

If Section 1:

Write your first and last name at the top of your test book in Box A.

If Section 2, 3, or 4:

Check to make sure your first and last name is written at the top of your test book in Box A.

Make sure each student has written their name on the Large Print test book. Some students may require the use of a signature guide to write their name on the Large Print test books. In these cases, have signature guides available. If necessary, assist students with making sure they are using the Large Print test book that belongs to them.

The following are permitted during test administration at the discretion of the Test Administrator:

- One stretch break of up to three minutes for the entire classroom during testing for each Section. The stopping time should be adjusted by no more than three minutes if there is a stretch break.
- Individual restroom breaks during testing (do not adjust stop time).

The following security measures must be followed:

- Students must be supervised at all times during breaks.
- Large Print test books must be closed or covered.
- Students are not permitted to talk to each other during testing or breaks during testing.
- Students are not permitted to use electronic devices, play games, or engage in activities that may compromise the validity of the test.

If taking a three-minute stand and stretch break during the Section:

Please stop testing, place your scratch paper in your test book, and close your test book. We will take a silent three minute stretch break. No talking is allowed.

After taking a classroom break, ensure students open their Large Print test books and continue testing where they left off.

Open your test books and continue testing.

- Collect Large Print test books, scratch paper, testing tools, and accessibility/accommodations tools (as needed) from students.
- If testing another Section on the same day, take a break and then read the script to begin the next Section. At that time, materials and test books may be redistributed.
- When you are done testing for the day return all test materials to your School Test Coordinator. Report any missing materials and absent students.
- Report any testing irregularities to your School Test Coordinator.

Note: If you are administering more than one Section during the same day, allow students to take a short break (e.g., restroom break) or extended break (e.g., lunch). Large Print test books should be collected and secured if the break exceeds 15 minutes. The Test Administrator must remain with the Large Print test books at all times unless they are secured. Once students have returned and are seated, read the script to move on to the next Section.
